The 16th annual HD Awards is the industry’s premier competition, which celebrates the best in hospitality and product design in the last year by honoring the owners, designers, architects, and manufacturers behind the impressive creations.

Last year’s event generated close to 1,000 entries, and over 400 professionals from leading design, architecture, purchasing firms, and hotel and restaurant brands. It is one of the only design competitions that honors the people behind the industry’s most breathtaking products and spaces. Come celebrate with us on September 14, 2020, at the beautiful Cipriani 25 Broadway in New York.
